

Fully Funded Internship Online (JUL- DEC 2025) opportunities in Data Science, AIoT & Data Analytics | STPI

Dear Students

I hope this email finds you in good health and high spirits.

Software Technology Parks of India (STPI) is a body under Ministry of Electronics & IT (MeitY), Govt of India, working for the promotion of IT and ITeS industry in the country. In Madhya Pradesh, STPI has its centre at Bhopal, Indore and Gwalior.

STPI in partnership with Sabudh Foundation is pleased to offer **fully funded** internship programs in Data Science, Artificial Intelligence for Internet of Things (AIoT), and Data Analytics. Sabudh Foundation has been dedicated to promoting education and skill development in emerging technologies for the last 7 years. Sabudh considers a candidate's commitment and dedication towards the internship as a valuable contribution in lieu of any monetary fee. To date, it has trained over 700 individuals through 14 batches of Data Science and 9 batches of AIoT.

We are happy to announce that registrations for Batch-15 of Data Science, Batch-10 of AIoT, and Batch-1 of Data Analytics are now open!

We request your support in disseminating information about 6-month Internship Programs — available full-time and part-time in Data Science, and full-time in Data Analytics and AIoT.

Attached to this email is the promotional information flyer for your consideration and distribution among your students.

Interested individuals can register for the programs using the **following link**:
